Operation Inasmuch 2018

Operation Inasmuch is a focused, one-day missions event where our church family reaches out in various ways to help the surrounding community through acts of service, kindness and love. It is an opportunity for all of us to use our spiritual gifts and talents to extend and share God's love to many in our community. There are truly opportunities for everyone of all ages and abilities!

Children 12 years and younger must be accompanied by a parent. Youth (grades 7-12) must have parents complete a notarized permission slip (available through Bryan Moore).
