

A New Year's Greeting

Blessed greetings to you today in the name of Christ our Savior. Today we recall the word of the Lord as recorded in Psalm 77. Here we are reminded "Thy way, O God, is holy; there is none so great as our God.

Thou are the God that doest wonders; thou has declared thy strength among the people." Today we thank God for His mercy upon his children. We praise God for His

salvation His holiness and His greatness! As we again come to a close of another year, let us look to God with praises as we stand in His presence.

With 2011 now behind us, it is a time to believe God for new beginnings with new opportunities to bring glory to His name. Our most high God, has been our helper and our Savior and by His grace we have accomplished His task before us.

Continue to join us for WOW (Word on Wednesday) each Wednesday at noon and 7:00 PM and Sunday School each Sunday at 9:45 AM.

In your support of the Church fellowship through your tithes and offerings, you are a partner in the harvest field for the Lord. The ministry being offered today throughout the Church is serving and building up the flock in Christ, strengthening for the years ahead. May God bless you as you continue to realize this vision with Fort Foote Baptist Church throughout the New Year with God all things are possible. Mt 19:26.

May you have a Happy, Prosperous and Blessed New Year.

In HIS Service,

Rev. Joseph W. Lyles and First Lady Sheila M. Lyles
