

Uniform Resale

Committee Chair: [Gloria Lima](#)

Uniform resale events are held at least three times per year. These sales allow families to buy gently used uniform pieces at \$2 per piece and proceeds help fund HSA activities. There are at least three sales per year, with the first being at Meet the Teacher Night, and then during Fall and Spring Conferences.

Families who wish to donate gently used uniform pieces may drop off pieces at any time to the Lower School office.

Volunteers are needed to help sort, tag and arrange uniform pieces for sales throughout the school year. Sorting is generally done a few weekday mornings leading up to each sale. This volunteer opportunity has the perk of being able to shop while you work for the best selection! If you are interested in helping with the uniform resale, please contact *Gloria Lima*.
