

TLC for Kids Summer Camp  
**Playground Permission Slip**

Parents,

Since our playground area is limited, the children like to play in the large field located behind the playground. This offers them a chance to play kickball, soccer, etc. Please remember that at all times they are supervised!

TLC for Kids Summer Camp needs your permission to allow your child/ren to play on this back field. Please sign below if this is acceptable for you.

Thank you!

I give my child/ren \_\_\_\_\_ permission to play in the large field area behind the playground.
