

myTLClick FAQ

1. What is my user name and password?

Your user name is your first name plus your last name, with NO spaces; i.e. TrinityLutheran, not Trinity Lutheran. Your password is emailed to you directly when you register online. If you cannot remember your password, click on the “Forgot password” link. If you are still having problems logging in, please contact Darlene Luciani in the church office at 770-972-4418 or by email at <mailto:darlene.luciani@tlc-lilburn.org>.

2. How secure is my data?

The confidentiality of your data is our utmost priority. Only the data that we print in our existing church directory is available online. Our software provider, ACS Technologies, is the largest developer of church management software in the industry. They have a secured website that we access which is housed in a secured data center and is subject to periodic security audits to ensure safety and privacy of your data. No one else can see your confidential data.
