

Presbytery of Eastern Virginia

Covid-19 Church Grants for Online Worship Technology

Guidelines

The Presbytery of Eastern Virginia has established the Covid-19 Online Worship Technology Fund to assist churches looking to begin or to further equip their online worship ministry. In the Covid-19 pandemic season, churches are unable to meet in person, and are recording and posting their worship services on the internet as a way to sustain their worship ministry. This fund will assist in the purchase of equipment and resources (cameras, microphones, laptop computers, etc.) necessary for online worship. The maximum amount of disbursement shall be \$2000.

Eligibility

Any church in the Presbytery of Eastern Virginia looking to begin or further equip online worship ministry is eligible for a grant.

Procedures

1. Submit a completed "Covid-19 Online Worship Technology Grant Request Form" by emailing to Rrodrigues@pcusa-peva.org
2. All requests must be reviewed and approved by the PEVA Congregational Vitality Team.

Parameters

The Covid-19 Online Worship Technology Fund can only be used for worship needs. Those needs include, but are not limited to the following:

- Video cameras
- Microphones
- Projector
