## PEVA Wide Fill an Ark Challenge

One of PEVA's Hunger Ministry team's goals in 2019 is to **FILL AN ARK** with Heifer International. The cost of an **ARK is \$5,000**. The Hunger Ministry Team has allocated a part of their budget for this; however, they would like to **raise at least \$2,500**.

## What is in an Ark?

An ark includes two water buffalos, two cows, two sheep and two goats, along with bees, chicks, rabbits and more.

## Where Will the Ark Go?

PEVA's ark donation goes around the world, from Africa to Asia, Europe and the Americas. Wherever Heifer International finds hunger, poverty and hopelessness, they answer with the animals, training and encouragement.

## How Can An Ark Help?

- Care for entire communities with milk, eggs, honey and wool
- Provide income by supplying an abundance of goods to sell
- Sustain farming by providing livestock to work the land
- Improve the lives of families for generations by multiplying and Passing on the Gift

The last time PEVA filled an Ark was in 2008.
