

Stated Meeting of the Presbytery Via ZOOM Webinar

The 123rd stated meeting of PEVA will occur on **Tuesday, October, 2020**, via ZOOM webinar. The meeting will be held via the **webinar** format of ZOOM. This format differs in several significant ways from the basic Zoom meeting format, with which many of us are familiar. The primary difference is that only designated leadership and technical crew will have access to their microphones and cameras throughout the meeting. There are options for commissioners to ask questions, make comments, and to vote. These options will be available throughout the entire meeting and will be explained during the orientation sessions.
