

Please provide the information requested when your PW officers are selected each year. The data will be used to update the Directory and assure proper delivery of information. If officers are elected in the spring or summer, but not installed until the fall, please list those that have been elected even though they will take office later. The Directory is prepared in the summer and distributed in the fall. (Note: please list area code for all phone numbers).

Please send this information to the Moderator as listed below.
