## What is Fun In The Son?

FITS Camp on Hilton Head Island is an event that provides an environment of love and acceptance which allows adolescents to feel safe, secure, and accepted. It is a place where the Gospel is presented through music, teaching, creative arts, and most importantly, through relationship students build with their leaders and peers. At it's best, Fun in The Son seeks to encourage spiritual growth in a fun and memorable week.

# Fun In The Son 2017

Dear Parents,

This is our 13th year at camp and we love it! It is a great week of fun, fellowship, learning, and worship for all who attend and should not be missed. We've heard that it just might be the best week of the year.
