HEARTLINE MINISTRY

**SOUTH CAROLINA
WOMEN'S MINISTRIES
MINISTERING
TO
OUR
MISSIONARIES**

**SERVING THOSE
WHO SERVE AROUND THE WORLD**

Purpose of the Heartline Ministry

The purpose of the Heartline Ministry is to provide gift cards to our Missionary families when they have household needs. We also remember them and their children with Birthday Cards and small gifts, as well as Anniversary and Holiday cards. In this way we let them know how much we appreciate and love them for their dedication to the work of the Lord.

Sharing our hearts with our Missionary families

This ministry is funded by you from your gifts and gift cards. If you or your Church or Section have participated please continue to do so. If you have not your participation will be a real blessing both to you and our missionary families

2005 Distributions

In 2005 we received gift cards from 10 churches, 2 Sections and 1 Individual totaling \$1,030. We distributed \$1,030 to 12 Missionary families. We have begun the year 2006 with nothing left over, which is the way it should be.

Just think, if 100 ladies giving just \$10 each a year that would be \$1,000. That is less than \$2 a month, and we have many more than 100 ladies in our fellowship.

DONATIONS WELCOME

Available Today

If you would like to participate today you may

either make a donation and gift cards will be purchased in your name and/or the name of your church. If you would like to purchase gift cards at your favorite store, send them to me at the address shown at the end and we will distribute them to missionaries as the need arises. For your church to get Missions credit you need to show your giving on the Quarterly Report you file with the District Women's Ministries.

Just imagine you have arrived in town from another country. All you have with you are your clothes and a few essentials. Your children have nothing but their clothes and maybe one toy and/or book. Everything else had to be left behind because it was either worn out after 3 or 4 years or there was no room. You have a place to stay but you need linens and towels, pots and pans, dishes, etc. All of the essentials for setting up housekeeping. **Heartline Ministry** to the rescue, but there is only \$200 in gift cards available. How far do you think that will go? That is where our Missionaries find themselves when they come home. Let's be generous and make sure we have gift cards available for them. Wouldn't it be wonderful to have \$500 ready when a Missionary family comes home!!
