

Instructions for bringing refreshments on Sunday during the summer months

Beverages – We will provide the beverages – iced tea, lemonade.

Suggested Food – cookies, munchkins, fruit, etc. There is not a large demand for food, so minimizing the quantity is suggested. **We estimate about 50 people may participate.**

Since we will hold the “social” on the lawn at the church, please bring food to the narthex when you arrive for the 10:00 service and then Paulo will set it up on the table outside. Please do not bring food to the parish house.

If you need assistance, you can reach Paulo at 484-459-0346.

Thank you so much!!
