H I G H I M P A C T L E A D E R S

“The life and ministry skills I acquired through my participation in the Leaders Edge were the catalyst that moved me from surviving in life and ministry to thriving in life and Ministry!”

— Lane Lowery, Minister of Spiritual Formation & Assimilation,
Warren Baptist Church, *Augusta, GA*

“The LeadersEdge training experience gave me the skills to fight for the vision God put in my heart and sort through the difficulties of church planting, while giving me a great opportunity to form lasting ministry relationships. As a result of this process and because of the Pastor’s Coaching Network there are greater numbers of lost people in our community experiencing the hope of a relationship with Christ!”

— Andy Wood, Lead Pastor, South Bay Church
San Francisco Bay Area

“Through the LeadersEdge coaching process God has opened my eyes to a whole new world: A deeper love for Him, a greater passion for His Word, and an intense desire to be more about the business of HIS Kingdom! It has been a wonderful, life-changing experience! I am eternally grateful.”

— Barry Fisher, Pastor, Flat Creek Baptist Church, *Weaverville, NC*

“The need for me to understand personal transformation and how to reach what my heart longs for are met in every instance during Leaders Edge training and as I work with my personal coach. I never fail to leave the training or coaching sessions where hope isn’t abounding for me, my family and the ministry in which I work.”

— Ricky Bowen, North Asheville Baptist Church, *Asheville, NC*

Leadersedge Hub

The *Leadersedge* is a 10-month personal growth and leadership development opportunity to encourage and equip spiritual leaders by combining training, coaching and strong personal support. Each person receives valuable instruction and materials, as well as personal coaching, in the areas that frequently are not included in a traditional academic environment:

- transformational spiritual disciplines
- leadership development
- communication
- problem solving
- team building skills
- time and life management
- growth in coaching skills
- clarifying purpose and maximizing strengths while living in harmony with God’s unique design
