Dear Parishioners and Friends of Christ Church,

Our tenth season of *Music at Christ Church Andover* features the choirs and soloists of Christ Church and three prominent organists from the Boston area – Jeremy Bruns, Frances Conover Fitch, and Cathy Meyer. Our two FISK organs – Opus 137 with 2,002 pipes, installed in 2012, and Opus 157, a new portable one manual organ with no pedals, installed in 2020 – will be heard as solo instruments as well as accompanying anthems, service music and hymns. The season opens on Sunday, November 28th with a Candlelight Service of Advent Lessons & Carols sung by the Parish Choir and Schola of Christ Church. In March and May of 2022, the Christ Church choirs will sing the beautiful Anglican evening service of Choral Evensong with organ recitals preceding each service.

Three guest choirs and the Essex Chamber Music Players will be performing at Christ Church this season. We welcome back the New England Classical Singers in December, the Andover Choral Society in February, and the Boston-based Renaissance choir, Convivium Musicum, in June. Under the direction of Artistic Director Michael Finegold, the Essex Chamber Music Players will present a concert in May of music for flute, violin, cello, and piano. The concert will feature Shostakovich's Piano Trio No. 2 as well as music by contemporary American composers Elliot Miles McKinley and Demetrius Spaneas who will introduce and speak about their respective compositions.

Due to the worldwide pandemic, it has been nearly two years since we have been able to open our doors for special music events at Christ Church. After a long hiatus, we are pleased to offer a new and exciting series of services and concerts and hope you will JOIN US for our tenth season of *Music at Christ Church Andover!*
