## Dear Parishioners and Friends of Christ Church,

In celebration of the tenth anniversary of the dedication of our FISK Opus 137 organ, *Music at Christ Church* opens its eleventh season with a LIVE Silent Film accompaniment by virtuoso organist Peter Krasinski. The epic film *WINGS*, the first Academy Award-winning movie for best picture in 1927, will be projected on a large screen as Mr. Krasinski dazzles you with his musically sensitive improvisations reflecting the characters, the action, the locations, and many other details of this film about the futility of war.

On Sunday, November 27, the beautiful Anglican evening service of Choral Evensong will be sung by our Parish Choir and Choristers featuring J. S. Bach's Advent Cantata #140, *Wachet auf, ruft uns die Stimme*, with period instruments, including our FISK Opus 157 continuo organ. Evensong for the season of Lent will be sung on March 26, and during the Easter season, specifically May 21, the Sunday after the Ascension, Choral Evensong will be sung in collaboration with the Parish Choir and Choristers of The Parish of the Epiphany, Winchester, Massachusetts. Three brilliant organists – Douglas Major, Louise Munding, and Jeremy Bruns – will be our guest organists for these special evening services.

We welcome back the NEW ENGLAND CLASSICAL SINGERS in two concerts with conductor David Hodgkins, and CONVIVIUM MUSICUM on February 26 with their newly appointed Music Director, Allegra Martin. On March 12, the first annual *Marie Stultz Legacy Concert* will feature prize-winning soprano soloist, Kerrigan Bigelow, and Juilliard faculty pianist, Emma Luyendijk. Please JOIN US for our exciting eleventh season of *Music at Christ Church Andover!*
