

## THANKSGIVING MEALS FOR *NEIGHBORS IN NEED*

Despite COVID, Christ Church is moving forward with Thanksgiving meals for NIN. We hope you will consider shopping for a *Neighbor in Need*. If you don't feel comfortable going to the grocery store, please consider a \$55 donation and an angel will shop for you. Donations can be mailed to the Glebe House or dropped in the mail slot.

This really is pretty easy and Julie and Tom have streamlined the process as best they can. Remember, your participation will make a **HUGE** difference!

Please:

1. **Purchase** the items on the shopping list below.
2. Put the food in one box. **Market Basket "egg boxes" are the best!**
3. Drop your box in our garage at 244 South Main Street in Andover anytime on **Monday, November 23rd.**

Please let Julie know how many meals you will be providing. It is important for Neighbors in Need to

have an accurate count so everyone who signs up for a meal receives a meal.
