

Ministry Request Form

Dear Church Planter,

As part of the Mississippi NAM family, we want to support you by providing Evangelists and Guest Speakers at no expense to you. These ministries are provided for Revivals, Special Weekends or Pastoral Get-Aways. They are available as long as your church is under NAM Status and funds are available.

If it's a revival for up to three days or just a weekend, we can help. Maybe you need a weekend away from the pulpit, we offer different benefits in each of these situations. They're all available to you. Please contact your sectional NAM director for more details.

God Bless You,

The MS NAM Team
