

Big Recess

Arrive at 6:45 p.m. at the Community Center (3402 Fox Street, Duluth)

If you can't get in the front door of the community center, there is a door on the left side of the building that will be open. Proceed to the second floor and ring doorbell. Carl will meet you there.

Each group of children are put into a separate classroom by age.

Approximately 26-28 children

14 kids ages 5-7 (broken into 2 groups of 7) – require 2-3 volunteers

6 kids ages 8-11 – require 1-2 volunteers

3 middle school age kids – require 1 volunteer

3 high school age kids – require 1 volunteer

For ages 5-7 – they love face painting, coloring, puzzles, etc. Carl suggested switching half way through the hour so that both groups get to experience both activities.

Ages 8-11 – love board games. They have Operation and two Connect Four games. They also enjoy hula-hoops.

Middle and high school kids – love board games as well. Bingo is a favorite as well as Connect 4. They don't have a bingo game on site. The more interactive the game the better.

Start cleaning up around 7:55 as the parents will come to get their kids at 8:00 p.m.
