**Discuss:** What do these verses say about God's love? Which is your favorite? Why?

God's love reaches every corner of our life. It is wide— it covers the breadth of our own life, and it reaches out to the whole world. God's love is long— it continues the length of our lives. It is high— it rises to the heights of our celebration and excitement. His love is deep— it reaches to the depths of our discouragement, despair, and even death. When we feel shut out or isolated, remember you can never be lost to God's love. God's love reaches everywhere we could possibly go!
