

Before You Come...

Foothills is thrilled that the governor's directive has expanded the limit on gatherings to 250 people or 50% of capacity with social distancing protocols in place (six feet between individuals or families). We will now welcome approximately 100 people to each of our 8am and 10am services. If God blesses us with more than 100 per service, we'll consider hosting an additional worship time. We realize many in our church family will continue to worship from home for the immediate future.

If you're new to Foothills, please know that we prioritize the safety of our church family and guests during the pandemic. The information listed below will help you know what to expect if you choose to worship with us on campus. We continue to livestream our 10am service on our YouTube channel (accessible from the home page of our website, www.foothillsbaptistchurch.org) if you prefer to join us online.

Weekly Reservation System on Hold

We have paused the weekly reservation system we used under the governor's previous 50-person limit on public gatherings. Should you desire to share your name and email on file with us for contact tracing purposes, please feel free to email our office with the date and time of your visit. You can email the office at info@foothillsbaptistchurch.org.

Safety Measures on Campus

- If you feel sick or have a cough or fever—or if you've been exposed to the virus or tested positive, we ask you to stay home and worship with us online.
- Face masks are required. We have masks on hand if needed.
- We do our best to practice physical distancing everywhere on campus. Our volunteers help us maintain safe distances inside and outside our building. Families can sit together.
- We discourage physical contact like hugs or handshakes.
- Hand sanitizer stations are available in the foyer.
- We provide contact-free offering boxes on campus. Offering envelopes are available by the boxes if desired. Many members give online. (See our website.)
- We ask that you not bring food or a drink other than water with you.
- At this time, we do not provide Preschool Care or Children's Worship.
- We clean and sanitize the Worship Center building before *both* services.

Before you come, remember this truth: Our attendance is limited, but God's presence and power among us is not. We look forward to worshipping with you!
