PARENT-SAFE SANCTUARY INFORMATION:

More than 14 years ago the General Conference of the United Methodist Church adopted a resolution to reduce the risk of child abuse and injury of any kind in the church. This resolution became Safe Sanctuary, a proactive, intentional process to assist local congregations as they oversee children's programming. In 2003 Front Street UMC faithfully adopted the Safe Sanctuary Program.

Parents - Please make our church home a Safe Sanctuary by:

Escorting children through elementary age into the building to the appropriate room or area as you arrive at Front Street for all children's programming.

Supervising children through elementary age when they are not participating in program ministries at all times in the building and on the playground.

Meeting children in appropriate room or space for pick up when their activity is finished. A youth may pick up a younger sibling with parental permission.

- I have read and understand the Parent Safe Sanctuary Information.
