

Dear Parents:

Be sure your children have the greatest summer ever. Join the team at POWER LAB Vacation Bible School. You'll find plenty of adventure at:

FRONT STREET UNITED METHODIST CHURCH
JULY 28 – JULY 31, 2008
9:00 a.m. – 12:00 Noon

At Power Lab, kids learn one important Bible Point each day. Instead of trying to teach kids more than they can remember or apply, Power Lab focuses on one key biblical concept. The Bible Point is reinforced daily through Bible stories, Bible verses, songs, and hands-on activities that help kids know more about God.

Power Lab Vacation Bible School will include children who are entering kindergarten through those who have just completed fifth grade. We will have a separate preschool VBS program for children who will be three or four years old by October 16, 2008.

So, mark your calendars for POWER LAB VBS, July 28 – July 31, 2008.

Register your child now for Power Lab fun and fellowship where your child will *Plug In* at Power Lab and Discover Jesus' Miraculous Power!

If you would like to volunteer, we would love to have you! Return the volunteer card along with your child's application. A nursery for younger children will be provided for VBS volunteers only.

You may return the application and the volunteer card to the church office by June 20th. You may also register your child on-line at <https://www.groupvbs.com/webtoybox/myvbs/FrontstreetVBS>

We look forward to seeing you at Vacation Bible School!
