VICTORY OVER STRONGHOLDS

A stronghold can be defined as a pattern of unrighteousness that holds you hostage outside the will of God. We overcome strongholds in our lives as a result of Christ's power within us as we apply His truths to our situations and use our spiritual armor. In this final lesson, we will look at another stronghold that frequently keeps believers in bondage.

Debt Strongholds

I. Definition: A debt stronghold can be defined as not being able to pay back what you owe.

II. God's Viewpoint

1. Overwhelming debt is a form of slavery.
2. Believers are obligated to pay their debts.

Proverbs 22:7
Romans 13:8

III. God's Solution To Debt Strongholds

1. Give
2. Save
3. Spend

Malachi 3:10
Proverbs 13:22
Philippians 4:19

IV. Kemberley Washington's Story On Getting Out Of Debt

1. Have a "come to Jesus" moment.
2. Get creative with your finances.
3. Develop a "just say no" plan.

Brothers and sisters, when we align our finances with God's principles of giving, saving, and spending, we will see God work in freeing us from the strongholds of debt!
