SLAYING THE GIANTS IN YOUR LIFE

Tonight we will begin a new Bible Study series entitled, “Slaying The Giants In Your Life” based on the book by Dr. David Jeremiah. In this study you will discover that we all have giants in our lives with names like: Fear, Discouragement, Loneliness, Worry, Temptation and several others that affect all of us at one time or another. So put on your spiritual armor, stand tall, and let’s face the giants in our lives!

Fighting Your Fear

All of us as believers have certain fears in our lives: snakes, spiders, mice, flying, darkness, etc. are just a few things that cause many of us to fear. However, the problem occurs when those fears cause us to not trust God, His Word, and His Will.

I. How Fear Affects God’s Will For our Lives

1. Fear disregards God’s plan.
2. Fear distorts God’s purposes.
3. Fear discourages God’s people.
4. Fear disbelieves God’s promises.
5. Fear disobeys God’s principals.

II. Facing The Giant of Fear

1. Confront your fear honestly.
2. Confess your fear as sin.
3. Claim God’s promises of protection.
4. Cultivate a closer relationship with God.
5. Commit your life to Jesus Christ.
