“WAITING ON GOD”

HIS PURPOSE

Believers expect God to act immediately on their behalf to resolve issues in their lives. They want instant guidance and answers to petitions, but God moves accordingly to His purpose and plan. He does not move according to the dictation of man.

Waiting means believers pause to receive further instructions from God. Timing is crucial in accomplishing God’s purpose and preparing believers for what He has in store for them; everyone waits.

It’s All About Him, *Colossians 1:15-18*

All things were created by Him and exist for Him. (This world, and all that’s in it, seen and unseen was created for His purpose). That’s why it’s so important to operate in His will. Anything outside His will won’t last or only bring temporary happiness, joy and satisfaction. If what we do is not connected to His plan and purpose, it won’t work.
