**Guidelines for Teaching during Sunday School Meetings.**

1. This is a requirement to be a Sunday School Teacher.
2. Remember that you only have 20-minutes. Please be respectful of your time.
3. Use the template as a guide—it is not inspired and shouldn't be taken in a legalistic way.
4. You will be evaluated in an effort to help you perfect the gift that God has given you.
  - a. You should expect follow-up from your lesson before our next teacher's meeting after you teach.
5. If you cannot teach because of an emergency or work conflict, you are responsible to procure a back-up. If no one is available, contact Keith and Val as soon as possible.
6. We can provide the text/lesson or you can choose your text/lesson. If you decide to choose your text/lesson, we need this no later than Thursday, January the 15th so we can complete the calendar for the year.
