Application for Search and / or Transition Committee as Southern Virginia calls a new Bishop

The qualifications that the Standing Committee is looking for are as follows:

- Must be communicants in good standing per Episcopal Church and Diocesan Canons*
- Need a variety of gifts/personality types
- Need someone that can look at the big picture and someone who can ensure that the details are all accounted for
- Must be able to work with others and co-create a shared vision

The Search and Nomination Committee interviews and selects candidates to present to Standing Committee for nomination as the next Bishop of Southern Virginia.

The Transition Committee's key responsibilities include walkabouts, assist in the election process, ordination & consecration in conjunction with the Diocesan Liturgical Commission, and pastoral care of those in the process.

While of a limited duration, please note that serving on either of these committees is a major undertaking and at times may involve semi-monthly meetings and travel.

*Canon I.17.3 gives the definition of a Communicant in Good Standing and echoes the duty of all Christians from the Catechism, pg. 856. *The duty of all Christians is to follow Christ; to come together week by week for corporate worship; and to work, pray, and give for the spread of the kingdom of God.*
