of Southern Virginia

## *Search for the 11th Bishop of Southern Virginia*

*The Nominating/Search Committee invite all Laity and Clergy to come to one of our Convocation Listening Sessions. We will share what we are learning from the responses to our questionnaire and we want to hear from you the people of the diocese. These Sharing Sessions will help us to complete a vibrant and living profile of our diocese, one that reflects who we are. There is a meeting planned for each convocation. If you are unable to attend the meeting in your own convocation please come and join us at one of the other sessions.*
