The Episcopal Youth Community Board

The Episcopal Youth Community (EYC) Board is seeking applicants for the 2023-2024 school year. Serving on the EYC Board requires both commitment and sacrifice, but it is an exciting opportunity to be a leader in the Diocese. The Board is comprised of up to nine youth members, preferably one youth representative from each of the nine convocations in the Diocese. The Board's mission is to help youth in the Diocese grow in their spiritual journey and understanding of the Episcopal Church. The Board works closely with the Youth Missioner and other adult leaders to implement events like Spring and Fall Weekends, represent the youth voice at Annual Council, help connect youth with national Episcopal events like the Episcopal Youth Event and Province III gatherings (Middle Atlantic region of Episcopal churches), and are encouraged to explore new ways for youth in the Diocese to grow in community. Typically the Board meets monthly during the school year. Those meetings will be a mix of Zoom meetings and overnight retreats on a Saturday afternoon-Sunday afternoon in parishes around the Diocese.

Applicants must meet the following criteria in order to be eligible to serve on the EYC Board:

- Have a desire to work in collaboration with other young people and adults from across the Diocese to improve, grow and sustain ministry with and for young people
- Be a rising 10th - 12th grader beginning in the fall of the application year
- Be an active member of their home parish
- A completed application must be postmarked by the application due date
- Be able to attend all the scheduled EYC meetings, unless otherwise discussed with Youth Missioner
- Board members are called to abide by the EYC Community Standards and uphold these standards

Selection Process

Applications for the EYC Board will be distributed in May, via Tidings, DIOSOVA's website, and other venues, to encourage all who are interested to apply. In addition, formation leaders will be actively encouraged to identify youth who meet the application criteria and encourage them to apply. A new board will be selected each year, so youth will need to apply each school year they would like to be a part of the board.

All youth who have submitted a completed application will receive an interview via Zoom in July. Applicants will be interviewed by a team consisting of the Youth Missioner, Canon for Formation, up to two additional adult youth leaders, and one or two youth leaders from the Diocese. These youth would preferably be seniors from the board who are graduating or were the president of the board previously. At the conclusion of the interviews the interview team will provide selection recommendations to the Bishop. The Bishop shall appoint the board members and may request additional information or interviews as needed. The Bishop will appoint a youth to serve as the president at a later time upon the recommendation of the Youth Missioner.
