Number of years as a Spiritual Director: I have been a lay healing minister in my church for 14 years and have offered formal spiritual direction for eight years.

Availability: Virtual appointments - days, nights and weekends; in person also available. Accepting new directees.

Education, Training, Certifications and Experience: I earned a B.A. in Business Management then worked in government Public Relations for more than 20 years. I became a Certified Spiritual Director through The Shalem Institute for Spiritual Formation and graduated with a Master of Divinity, Chaplaincy concentration. In addition, I have worked as a Hospital Chaplain dedicated to on call emergencies. My passion is listening to the needs of others and offering healing prayer. My goal as a spiritual director is to focus on the individual's personal relationship with God as it is reflected and challenged in all aspects of that person's life and prayer.

Specialties/Focus Areas: Together, the focus is on the individual's spiritual journey by listening to the Holy Spirit. As the individual is comfortable, I offer healing prayer, meditations, journaling, dialoguing with Jesus, stillness and silence to gently guide. I offer a safe, sacred space for diversity and inclusion.

Style of Spiritual Direction: As a spiritual director, I try to encourage, soothe and heal with God's help through listening to you and the Holy Spirit, to better enable you to hear God's voice in your own life.

Personal Information/Interests: I have a background in Public Relations, marketing and communications and enjoy creating and sharing soothing meditations. I love to encourage others and make a joyful noise through singing. In addition, I enjoy Bible Study, bike riding and being at the beach. I'm happily married and have one adult child in college. Both of my family members are artists and enjoy music.
