

St. Thomas Episcopal Church | Church Nursery Attendant | Job Description

Love working with children and need a part-time job with a vibrant and fun church community? Join us as our nursery worker at St. Thomas Episcopal! We are a medium-sized Episcopal congregation in the Great Bridge area of Chesapeake, VA. We run a children's Sunday school class for Kindergarten - 5th grade and provide nursery care for our children infant-5 years.

Purpose:

We expect the Nursery Attendant to be a consistent presence in the lives of children in their care. For this reason, we ask the nursery worker to be present **every** Sunday from 9:00-12:30. The Nursery Attendant will be the most identifiable face of our nursery program. It is vitally important that someone in this position convey a sense of hospitality to our little ones and parents.

Before worship, we ask the attendant to set up the room for any activities or crafts that day. As people arrive for worship, we ask the Nursery Attendant to greet parents warmly, sign in children, and actively engage little ones. This means holding infants, getting onto the floor with toddlers, etc. Engaging the little ones during drop-off will make it easier for parents to leave the nursery without a fuss.
