

# Geometry Supply List

1. **Ruler**
2. **Compass** – it needs to be able to be tightened so it does not shift while you are constructing
3. **Protractor**
4. **Calculator** – I recommend getting a TI-84+. TI-83 are okay but the TI-84+ has more features that will help in subsequent math classes.
5. **Binder**
6. **Loose-leaf**
7. **2 boxes of Tissues** – our classroom is not a homeroom, so there will be no tissues
8. **Highlighters**
9. **1 pack of Index cards** – 3 x 5 are okay, we will be putting vocabulary and formulas on these
10. **Dividers for binder** – at least 3
11. **Black or Blue Pens and Pencils**
12. **Erasers**
13. **Colored pen or pencil** – at least 1 to correct your work
14. **Graph Paper**
