**RECENT DEVELOPMENTS**

What a busy Spring it has been for CareLink. We're thankful that we can work with the ministers and staff to serve those who need some extra attention. So we've delivered more flowers, written more cards, made more calls of concern and visits to care centers and have increased other CareLink ministry duties.

We are so happy to know that Ethel Okker has joined CareLink once again as the new Calls of Concern ministry head. She has a terrific background for this important ministry and served as Care Center Ministry prior to this.

We held a training discussion gathering last month with Ethel's new team of volunteers so we're able to involve more church family in the care of our church family.

---

**FUTURE PLANS**

In the next month or two we hope to meet with at least two more CareLink ministry teams for an annual training and listening session.

We are always eager to recruit new members of the CareLink program so please let us know of anyone who might like to help out.

Also, the way this ministry works is for all of us to communicate any needs our church family may have. Either call Patsy or Linda or notify Ingrid.

And please read our page in Broadway Life each month for ongoing descriptions of CareLink ministry services.
