MINISTRY AREA: _____ CHILDREN'S MINISTRY _____

SUBMITTED BY: ___ LEANN SKINNER/AIMEE MCBRIDE _____

Please summarize the work of your team since last board meeting on one page or less

- As summer began, Callie Gates stepped down as children's ministries assistant and we welcomed Kate Stecklein into the position. Kate jumped in full speed and her positive impact has been felt and seen in all the offerings this summer.
- Summer Pathways began June 6. With an average attendance of 8, Aimee, Kate and Chuck met under the East tents and the outdoor worship center to offer a Worship and Wonder style Bible story and craft or activity. No week was the same and it was great to reconnect with the kids in person.
- Church Wide Movie Night was hosted by C-YA ministries on June 25 and July 16. Unfortunately, rain kept us from being able to host outside, but we set up the new 20 ft. screen in the CLC and hosted at least 20 people to a viewing of "Luca" and "Space Jam 2." Fun was had by all and we will be making plans for future church wide movie nights for this fall.
- Family VBS was held over 3 nights on July 11-13. During this time 20 students and their parent/guardian were able to "Party With the Parables." Families enjoyed parable stations led by Cheryl Moore, Linda Wycoff, and Terry Overfelt as well as music and dancing led by Aimee and Kate. Festivities culminated in an epic water balloon battle that was fun and refreshing for all. Many of the parents voiced joy at getting to prioritize this time together with their children and hoped that they could participate in VBS with their children again.
- Pastor's Class began June 6 culminating in Baptism on August 15. We had seven entering sixth graders and one entering seventh grader complete the process and affirm their faith. We are thankful to all the families who participated and all the mentors who served.

Future Developments:

- With the Covid Pandemic still wearing on vaccinations unavailable to students that participate in Children's Ministries due to age, all of our future planning will include masking indoors, meeting outside as much as possible, when forced indoors meeting in the most open spaces available, and continuing to make modifications to programming as we strive to meet the spiritual needs of our children while also prioritizing their health.
- This fall Children's Ministries will continue to host outdoor Sunday School classes with a return to using Pathway's curriculum. We are still seeking a minimum of 4 volunteers to help support and lead during this time. If available, please let Aimee know.
- We will be holding a "make-up" Bible workshop for our entering fourth graders this September 25 with presentation on Sunday, September 16. Invitations will be going out at the end August.
- Currently considering how to best to host Trunk-or-Treat on October 24. More details coming soon.

Our Mission is to enable persons to encounter the living God as disclosed through Jesus Christ, to serve and celebrate God in and ever-changing society.

MINISTRY AREA: YOUTH
SUBMITTED BY: LINDA WYCOFF

RECENT DEVELOPMENTS:

June: A night of service! Goodies made and delivered for the homebound and Feeling Buddies made for our partner in Ed-CELN.

June/July: Two movie nights open for all in the church. Trails and Tacos also open in the summer to all. In June walked the African American Heritage Trail as part of the Juneteenth Celebration.

July: Youth Mission Trip! Served locally for the church and community. Poles and railing painted in the Fellowship Hall areas, playground cleaned up, helped Jay with set up and teamed with the property committee to finish projects. Bingo night was help and open churchwide. Partnered with MOM and Mobility Worldwide in their cart fundraiser project. Three carts were decorated, donated by individuals and MOM. Went to Mobility Worldwide to view and participate in the ministry in action. Helped Enlaces- Run for Central America 5k by making balloon arbor and signs, assisted in set up with registration and water tables. A worship night for Youth completed the week.

About 15 kids attended Youth Outing to Midway Golf and Games for mini golf and axe-throwing and fellowship!

Many adults from the congregation have jumped in to re-engage with youth. This expands the influence, connections, and program potential.

FUTURE PLANS:

Fall kickoff is Aug. 29th for all programming. Youth will host the annual carwash on that day and have a parent meeting and games.

Youth Movie Night resumes as will Sunday School for High School and Middle School. Monthly youth groups will be held as well as small group opportunities.

Masking continues for youth activities since all youth are not yet eligible for vaccines and larger spaces are also being used. Constant evaluation will determine future practice.

The Youth Protection Committee will reconvene for the upcoming year.
