

Welcome to Trinity Presbyterian Church!

We are, first of all, a community of faith, grounded in the Reformed tradition. Through worship, study and service, our members seek to be faithful Christians in an ever-changing world.

Moreover, as you explore this site, you will also see that Trinity is much more than a vibrant Presbyterian congregation. The community that intersects on our spacious campus on Providence Road includes our own Week Day School for children, as well as Philips Academy, a private non-profit school for students in middle and high school with language, learning and /or cognitive disabilities. We also afford the use of the campus to numerous other community organizations, whose own activities add to the rich texture of life here.

Indeed, over the course of a week, we all cross paths with the result that our church members and others who study, work and play here are mutually blessed by the encounters!

If you have never visited Trinity, we hope you will have the opportunity to join us for worship at 11 o'clock on Sunday mornings (10 o'clock during the summer), or that you will take advantage of other opportunities to engage in study, mission endeavors or fellowship, as you will find them described on this website.

So please, take a few minutes to explore these pages, and know that you will be welcome here. Should you have questions about our ministry or programs, please feel free to contact me or any member of our staff.

Sincerely,

William G. Cockrill
Interim Pastor
