

Interest/Talent/Hobby Survey

This is an interest survey - not a volunteer sign-up sheet! Even if your plate is full right now, circumstances do change and we want to know what you **like** to do. Finding your niche is a joy. If you have additional interests, please indicate them. This survey is an evolving process.

Rating scale

- 1 = Little interest/No skill.
 - 2 = Occasional participation. No long-term commitment.
 - 3 = I'm interested. I would like to learn.
 - 4 = I like it. I've done it before (comments are encouraged).
