

Loving IN Memory

There are many ways to contribute to the church and also honor a loved one. Pews, pavers for the main entrance plaza and bricks for the side walkway are available. Currently we are not taking any new paver or brick orders until January 2013. At that time, the forms will be available and orders will be taken. You can still memorialize a pew by contacting Eileen in the parish office at 843-651-3737, ext. 225 or e-mail her at esheehy@saintmichaelsc.net (see direct link on the right). Check back here for updates.

You can also remember a loved one with a Mass intention or weekly flower intention. Contact Kay Hill in the office at ext. 221 or e-mail khill@saintmichaelsc.net (see direct link to e-mail on the right).

We also have a new prayer garden located between the church and the columbarium. There are new Stations of the Cross which are solid brass and very attractive, as well as two benches for those who wish to sit for some quiet time.

All 14 stations and the benches have been memorialized. We thank our benefactors for helping to make this site even more beautiful. The boxes and posts for these stations were originally in the rear of the school and were the Eagle Scout project of Nick Juliano, Troop 396.
