

Parish meetings have resumed but with certain guidelines given to us by the diocese: limited numbers to allow for social distancing, wearing of masks, and sanitizing spaces after each use. The parish will provide the sanitizing products. The school building **IS NOT** available to any groups. Until further notice, meetings on campus are limited to ONCE a MONTH and must end by 7:30 pm. Thanks for your understanding during these trying times. Please contact the church office for scheduling.
