**Historical Tidbits about PBC**

The current Children’s Ministry Room, in the lower level was originally the church’s fellowship hall. In 1982, the church voted to renovate the room and make it a chapel. It became a Children’s Ministry room sometime in the 2000’s.

**Live Longer - Read**
A recent study by Yale University researchers concluded that “book readers experience a 20 percent reduction of mortality over the 12 years of follow-up compared to non-book readers.

Sponsored by the National Institute on aging, the study looked at 3,635 subjects all older than 50, whom the researches divided into three groups: those who didn’t read books, those who read up to 3.5 hours a week, and those who read more than 3.5 hours a week. The findings were remarkable: Book readers survived almost two years longer than those who did not crack open a book. “Books appear to promote a significant survival advantage,” the authors concluded.

Check out a book from your PBC Library and live longer. Of course, you will need to read the book to get those extra years.

Here are some choices that will enlighten.

**The Promise - Experiencing God’s Greatest Gift - the Holy Spirit**
by Tony Evans

Who’s afraid of the Holy Spirit? According to Dr. Tony Evans, far too many Christians! Why are so many believers afraid to experience the Holy Spirit’s fullness? Can it be that: we fear the well-publicized excesses of a few or we really don’t know much about the Spirit? Tony Evans says you don’t need to fear the Holy Spirit. On the contrary, Evans writes, “If you and I are going to live victorious Christian lives, we must understand that the Holy Spirit’s task is to enable us to experience the Christian life.” It’s the Spirit who lifts the truth of Scripture off the page and explodes it into our lives. So if you long for a closer walk with Christ and a new infusion of power for godly living, then you’re ready for *The Promise* - a deeper, biblical experience of the Holy Spirit. Extraordinary Faith
by Sheila Walsh
Whether or not you know or even understand it, you are living a life of faith. Perhaps not the conventional, Christian ideal of faith, but faith nonetheless. You flip the light switch and have faith that the light will come on. You turn the key and expect the engine to start. But what about the big things in life? Do you have faith that you’ll remain healthy? Faith that your children will be safe from violence? You will face situations you can’t control. All you can do is trust—and have faith—that God will see you through. Extraordinary Faith is Sheila’s gift of encouragement that says wherever you are in life, whatever circumstances you face, God loves you and will be faithful to walk with you through it. With wit and wisdom, Sheila points out God’s track record of faithfulness in the Bible and in lives of women of faith through the generations. (copied from christianbook.com)

When the Game is Over, It All Goes Back in the Box
by John Ortberg
Remember the thrill of winning at checkers or Parcheesi? You become the Master of the Board, the victor over everyone else. But what happens after that, asks bestselling author John Ortberg. You know the answer: It all goes back in the box. You don’t get to keep one token, one chip, one game card. In the end, the spoils of the game add up to nothing. Using popular games as a metaphor for our temporal lives, When the Game is Over, It All Goes Back in the Box neatly sorts out what’s fleeting and what’s permanent in God’s kingdom.

Being Master of the Board is not the point; being rich toward God is. Winning the game of life on Earth is a temporary victory; loving God and other people with all our hearts is an eternal one. Using humor, terrific stories, and a focus on winning the right trophies, Ortberg paints a vivid picture of the priorities that all Christians will want to embrace. (copied from goodreads.com)
