This trip is for adults. The ultimate goal of this trip is to serve and encourage our mission families there and to experience the culture, making you more aware of their mission. Those going for the first time will be given priority.

To travel with the team two very important details must be attended to with diligence.

- First, you will need a current passport that does not expire in 2019 (Most countries require passports to be valid six months after travel, per travel.state.gov).
- Second, you will need to make sure you are up-to-date on routine vaccines before every trip. These vaccines include measles-mumps-rubella (MMR) vaccine, diphtheria-tetanus-pertussis vaccine, varicella (chickenpox) vaccine, polio vaccine, and your yearly flu shot.
