ADULT EDUCATION

We believe in lifelong learning about the Bible, theology, history, discipleship, mission, the Church, social justice, and human interaction. We seek to help each other grow and serve in Christ. Adult Ed offers classes throughout the week. With other ministries we co-sponsor guest speakers and workshops. We promote and support small groups and their leaders with study ideas and maintain a library of books, teacher’s guides, and DVDs. We encourage everyone to take advantage of the many opportunities at Woods. Our ministry is looking forward to working with our new Associate Pastor, Jacob Snowden in the coming church year.

The Finance Ministry is responsible for the church’s investments, budget preparation and monitoring, oversight of internal financial controls.

For the 2018-2019 fiscal year ended June 30, 2019, Contributions and Other Revenue were $2,179,459 and Expenses were $2,192,974, resulting in a deficit of $13,515. Contributions exceeded budget by $25,158 but other income lagged behind budget due to the loss of income from loss of rental income from CASA and the recommendation by Finance and approval by Session to not take the budgeted $79,000 withdrawal from the endowment funds. This withdrawal is governed by the Lasting Legacies Policy for Investments and is set at 4.5% of the balance of the Faith and Endowment Funds as of 12.31.2017. Expenses were less than budget primarily due to personnel vacancies.

The church’s investments (endowment and steward funds) totaled $2,311,899 at June 30, 2019. Overall investment return for the fiscal year was 4.49%. Our asset allocation is 55.4% equities, 42.2% fixed income and 2.4% cash. These percentages comply with the targets set by the Lasting Legacies Policy. The capital campaign fund totals $448,636.
Thanks to your generosity, Woods Church helped provide mission support to our neighbors at home and abroad. Highlights of our 2018-2019 year include...

**PROPERTY MANAGEMENT**

The Property Management Ministry has positioned Woods Church to be a role model in our community as good stewards of the earth, by consuming less energy in heating, cooling and lighting which helps to save our environment. This is part of a bigger picture of our Caring for the Creation initiatives that also includes caring for our grounds and gardens. We are proud of the progress, recognition and funding we have received from the Anne Arundel County Watershed Stewards Academy and Forestry Department, the Unity Gardens Foundation, and the Chesapeake Bay Trust. Through their support we launched our “Woods has gone Native“ program referring to our pollinator friendly native plant gardens, and the “Bringing new Life to the Woods at Woods“ project for our reforestation effort of our Woods to improve storm water absorption, restoring it with native trees and shrubs much the way it was 100 years ago when the Church was founded.

This past year the Property Management Ministry was successful in reducing our operational budget by more than $30,000 through energy reduction initiatives, renegotiated insurance rates, trash removal services and telephone and internet service. These reduced costs have been sustained into our next fiscal year. As continued improvements in lighting and HVAC are made, we will reap even further cost savings. In addition to these savings, the Woods Gardeners group applied for and won three grants totaling $5000 for native plantings. Another $1000 gift was received from Northrop Grumman Corporation to be applied to energy efficient lighting upgrades.

**RENOVATIONS**

Renovations Advisory Committee (RAC) workgroups produced a number of reports resulting in improvements to Woods audio/visual and technology equipment, suggestions for improvements to our facilities to accommodate persons with disabilities, and suggestions to improve spaces for our youth. A storage workgroup made great progress in removing clutter and organizing our storage areas.

**THE REHABS**

Celebrated 25 Years of service in 2018/19 the Rehabs have conservatively saved the church well over $1M since the groups inception in 1993. This year’s REHABs contributions were extraordinary with their work on installation of smart HVAC controls, installation of LED lighting in the office, classrooms and the sanctuary. For example, when completed, our operational cost to run the sanctuary lights will be reduced from $5 per hour to 25 cents per hour, a 95% reduction in cost. REHABs also helped make our church more accessible to all by skillfully handcrafting and installing oak handrails in the 150 corridor.
This year, three major engineering studies/surveys, were integrated into one plan to become the foundation of the new capital infrastructure campaign we call “Renew”. These efforts were conducted over the last 4 years and included the Congregational Renovation Survey conducted by the Renovation Advisory Committee, the Engineering Energy Audit Report by Kibart Engineering and the Engineering Facilities Condition Assessment report by EMG Engineering.

Many of the mechanical systems, such as heating, and cooling, have served us well and have now reached the end of their life. Classrooms, meeting spaces and lower level restroom facilities need renovations. Furthermore, it has become increasingly important to take measures that assure the safety and security of all those who worship at Woods.

To continue to fulfill our vital ministry and mission role we must take steps to improve and protect spaces used by our Woods members and local community groups. It is our prayerful hope you will join us in supporting our 2019 Renew campaign to enhance God’s house so it might be home for our community where all can experience the love and grace of Jesus Christ. Together, let us respond to Gods call!

A Time to Renew
A Capital Campaign for Woods
WELCOME

WELCOME includes the following services and ministries at Woods: Woods Counseling and Care Center; Deacons, Stephen Ministry, Bagel Hospitality Ministry, Elizabeth Ministry, Prayer Tree, Military and First Responder's Ministry and Prayer Shawl Ministry. One of our primary responsibilities is to welcome new members to Woods through outreach.

OUTREACH

- Front door greeters before worship
- Welcome gifts for first time visitors
- Communication with prospective members
- Regularly scheduled orientation classes followed by assimilation of new members into the life of the church.

WELCOME BOOTH

- Source for the weekly prayer and concerns list and information about upcoming activities
- Deacons and Elders complement our Sunday morning greeters by assisting new visitors during Sunday services, giving direction to classrooms and other facilities and distributing prayer lists.

WOODS COUNSELING & CARE CENTER

With Nancy Sullivan as coordinator we offer counseling for individuals and couples as well as multi-faceted programs addressing the spiritual and emotional needs of youth, young adults, families and seniors. WCCC hosted meetings of the Severna Park Area Ministry Group.

The Human Resources Ministry’s goal is to ensure that Woods Church is adequately staffed and that the staff is fairly-paid and treated with gratitude and respect. To that end, the ministry developed and implemented a new performance review process this past year. The new process ensures that each employee will meet periodically with an HR representative to be listened to and supported.

During the year the ministry welcomed Cindy Snapp, Administrative Assistant for Youth and their Families, and prepared to welcome Jacob Snowden, Associate Pastor for Christian Formation, established guidelines for director and pastor level new employee support committee. Currently forming a committee for Jacob.

Most importantly it was the Human Resource Ministry’s pleasure to serve alongside the following dedicated Wood’s Church Staff and our 27 talented CDC teachers and Administrators.

Youth Summer Mission Trips

200 woodwork youth and adults traveled to salem county, nj to form community, grow faith, and build homes with habitat for humanity

We took 20 youth and adults to broadstreet ministry to learn about urban poverty and engage with people experiencing homelessness
Three circles (Priscilla, Esther/Ruth, the newest circle which began in June 2014 Lydia Joanna) currently meet at various times of the day and evening for fellowship and Bible study. This year, all three circles studied the recommended Horizons Bible Study, “Cloud of Witnesses, The Community of Christ in Hebrews” by Melissa Bane Sevier from September 2017 to May 2018.

Commitment to Caring, a database of bakers and hosts to serve cookies and punch at funeral receptions, serving 18 grieving families this year.

As with all PWOW events, circle membership is open to anyone at any time during the year. Our current Bible study membership is 50 ladies.
It is consistent with our goals that many of the missions we support focus on the needs of women and children. PWOW contributed $9,500.00 to various missions in the 2018/2019 fiscal year.

- CE Families with Children, Community Center, Woods Youth Programs
- Presbytery - including PW Churchwide Mission, PW in Baltimore Presbytery, PW Synod of Mid Atlantic.
- Outside Mission - including Arundel House of Hope – Women’s Programs, Baltimore Outreach for Homeless Women, CASA (Court Appointed Advocate for Children), Church Women United, Habitat of the Chesapeake, Lighthouse Shelter, McKim Center Women’s Shelter, Ministry of Hope – Malawi we are supporting a 14 year old girl with a scholarship.
