

# Splendor on The Green

The logo for "Splendor on The Green" features the text "Splendor on The Green" in a black, cursive font. The word "on" is smaller and positioned between "Splendor" and "The". A stylized green tree with a black outline is positioned behind the word "The". To the right of the tree is a black silhouette of a chair. A large, curved green line sweeps from the bottom left towards the tree.

We decided not to hold Splendor on The Green in 2009 due to a difficult economic climate as well as a decline in volunteers, but St. Peter's still need funds for the restoration of its historic building. You can help contribute to the St. Peter's Restoration fund by buying a "virtual" ticket to our "virtual" event. The benefit to you is entirely tax deductible and you know your money is going to support a good cause.

Checks can be made out to St. Peter's Church with Splendor in the memo line. "Tickets" are \$35 or two for \$50 or you can become a sponsor by making a contribution of \$300 or more. Any amount you can contribute is appreciated. Your valued donation will go towards the restoration of the exterior and repair of stained glass windows.

*Thank you for your generous support.*
