

THE EPISCOPAL CHURCH OF THE
ADVENT

September 24, 2021

Dear Friend,

The Lord is my Rock seems appropriate to this season of our church life. He is our foundation, our hope against all hopes. His love for us is immovable like the biggest boulder and, appropriately, in His word, He is depicted as our rock over and over again. He asks for us to share just a portion of our time, talents, and finances in thanksgiving for all He provides us.

We have been through so much with the pandemic. We have lost loved ones, been isolated, been uncertain of what this pandemic will mean as we live day to day. And that uncertainty continues. But as Christians we have an anchor on which to cling, which is our Lord.

The Lord is my Rock. Join us Sundays beginning October 3, as we explore stewardship through sermons built around words beginning with each letter of the word Rock. Pick up a family rock at church that will be a reminder during stewardship season of our dependence on God and our faith community. And bring your rock back to the church on Sunday, October 24, where it will be included in a special addition to our church campus to remind us of our reliance on the Lord especially during these trying pandemic times.

To help the Advent provide the ministries to strengthen your relationship with God, our spiritual rock and foundation, please pledge generously and timely so that the vestry can plan and budget for the 2022 year. Looking to 2022, every dollar matters to building and strengthening our mission "That Christ's light be seen in us."

*The Lord is my rock, my fortress, and my deliverer, my God, my rock in whom I take
refuge, my shield, and the horn of my salvation, my stronghold.*

Psalm 18:2

Blessings to you from your Stewardship Commission and Clergy,
