From Saints to Prophets

Every year on the first Sunday of November we celebrate All Saints’ Day. It is the only feast of the Church Year the rubrics (directions) in the Book of Common Prayer allows for two observances – “All Saints’ Day may always be observed on the Sunday following November 1, in addition to its observance on the fixed date” (BCP, p. 15).

Traditionally it is one of the more “popular” Sundays of the year and it is one of the four Sundays especially appropriate for Holy Baptism. It is also customary to read aloud the names of members of the parish who have died since All Saints' Day the previous year.

Remembering those who have died is important for us as a community of faith. Naming and praying for the dead is central to our understanding of the resurrection. We are separated by death and yet we are forever united with them. The prayers in our wedding liturgy ends with this profound intercession:

Grant that the bonds of our common humanity, by which all your children are united one to another, and the living to the dead, may be so transformed by your grace, that your will may be done on earth as it is in heaven; where, O Father, with your Son, and the Holy Spirit, you live and reign in perfect unity, now and for ever. Amen. (BCP, p. 430)

Not much is said in the Prayer Book regarding how we are to understand the role of saints in our worship observances and beliefs. The one place it says anything much in terms of the Church’s teaching about saints is in the Catechism (An Outline of the Faith). On page 862, we find a brief reference near the end of the collection of questions and answers providing short statements of explanation written more as jumping off points for deeper study and discussion.

Q. What do we mean by the resurrection of the body?
A. We mean that God will raise us from death in the fullness of our being, that we may live with Christ in the communion of the saints.

Q. What is the communion of saints?
A. The communion of saints is the whole family of God, the living and the dead, those whom we love and those whom we hurt, bound together in Christ by sacrament, prayer, and praise.

The Book and Brown Bag class I lead on Tuesdays at 12:15pm will begin a study using the book by James Martin, SJ, titled My Life With the Saints. I hope you will join me if you can for a delightful read and invigorating discussion about saints in our lives – those who are living and those who have died.

Soon we will move together into Advent, marking the beginning of a new church year and a time when we will hear from the prophets calling us to “Prepare the way of the Lord.”

Stay tuned. God bless you. Ned+

Oyster Roast & Silent Auction
Weather predictions did not keep The Advent from having a successful Oyster Roast and Silent Auction. A huge “thanks” goes to Mimi Killoren and Kitsy Babb for organizing a great Silent Auction. It made $25,330!! Thanks also to David Graham and Joy Oates for pulling together a great team of organizers!
OCCASIONAL CHOIR – The next time the Occasional Choir will be singing in church will be Sunday November 23, Christ the King Sunday! All parishioners are invited to sing in this choir, which will sing for the 9am service that day. Simply come to the choir room upstairs in Pendleton Hall at 8:15am to learn an easy anthem chosen for that day. Anyone ages 13 and up is invited to sing.

MARY GRACE HOGAN, CHURCH OF THE ADVENT ORGAN APPRENTICE – Last month, on our “Stewardship in Action” Sunday, you may have noticed a young lady playing the organ while Brennan was up front leading one of our many musical ensembles. Brennan can’t always be in two places at once, so he appointed one of his organ students, Mary Grace Hogan who’s a senior at Spartanburg High School to play the organ at moments where the piano can’t necessarily support congregational singing. Mary Grace has been studying with Brennan since 2011, and she has been given the title of “Organ Apprentice” as she learns skills necessary to become a church organist. Mary Grace, we welcome you!

SAVE THE DATE – WALDO BAROQUE CONCERT ON DECEMBER 19! – On Friday December 19 at 7pm, the bishop of our diocese, Andrew Waldo and members of his very musical family will be presenting a concert of Baroque era music in our beautiful sanctuary. Bishop Waldo holds a Master’s degree in recorder performance from the New England Conservatory of Music in Boston, and it’ll be a unique opportunity for our parish to see another side of his renaissance man personality. This program will also be a fundraiser for the Episcopal Diocese of Upper South Carolina mission in Cange, Haiti. Come take a break from the business of the “Holiday” season!

GROUPS OF THE MONTH, THE ANGEL AND JUNIOR CHOIRS – This month, the music department is featuring “two groups for the price of one!” The Angel choir, for children in grades K-1 and the Junior choir, for children grades 2-5 rehearse simultaneously every Wednesday between 5:15 and 6pm. The Angel Choir still learns songs by rote but sings more often that the Cherub Choir. The junior choir gets to hold music and read the words that they are singing. They also play an active role in the leading of worship by learning the service music and recting the prayers with the congregation. Both choirs are small, but VERY mighty this year. Still, either group welcomes and encourages more children to join. If your child is interested in joining, please call 864-504-3694 or e-mail bszafron@churchofadvent.org. The best time to join a musical ensemble at the Church of the Advent is ANY time!

First Wednesday Dinner – November 5
Food Line Opens at 5:45
Program: A discussion with Kit Jennings – not about magic and not about bingo – but ALL THERE IS TO KNOW AND MORE ABOUT OUR ADVENT FOUNDATION! A few items to cover: Who manages the money? How does our foundation provide for our Outreach Ministries? What maintenance is provided from our budget and from our foundation? Is there a fund that provides resources for music? We have noticed more emphasis in the last year or two about pastoral care, what has the foundation got to do with this? What is a great gift to present to a wonderful Sunday School teacher? Even though a discussion about Our Foundation may seem at the outset to be a little dry – I promise it will be a lot of fun for all.

THANX!! Kit Jennings

The DOK is forming a class for next year. Interested ladies should contact Kay Fudge at kffudge@gmail.com.

Developing a Heart that Listens

A group of people began meeting eight years ago and is still gathering once a month to pray, spend time in silence, and practice spiritual discernment using scripture in a creative meditation format designed by Listening Hearts Ministries. The group has read and discussed the seminal book, Listening Hearts: Discerning Call in Community, and two other sister publications. We vary our practice of silence using Lectio Divina and Centering Silence. Our desire is to seek God's guidance, listening intently for direction in a call, a ministry, and a lifetime of ongoing discernment for our lives. We find value in sharing our faith journeys together with a pledge of confidentiality and trust that binds us.

We welcome others to journey with us, and invite you to join us for special offerings during Advent and Epiphany.

Finding Sabbath in Advent

Sunday, November 30 – 10:05-11:10am - Dining Room A
Adult formation on how to intentionally carve out time for quiet and inspiration during the season of Advent.

Sunday, November 30 & Sunday, December 21 – 10:10-11:10am - Hospitality Room – Pendleton
Special Advent study with the Benedictine Class to examine ways the sixth-century rule can help us find balance and a centering presence in the midst of a busy schedule.

Saturday, December 13 – A Quiet Day from 10am – 1pm in the Sanctuary
This day is designed with a “drop-in” format. While a 10-minute meditation will be offered at the top of each hour, you are invited to come and stay as your schedule allows.

During Epiphany Father Ned has invited us to offer a book discussion using Listening Hearts: Discerning Call in Community. There will be conversations about the importance of prayerful listening, identifying God's voice from other voices, and how a supportive faith community can bring us closer to God and to each other. Details on this book discussion will be announced after the New Year.

In 2010 Father Ned engaged Suzanne Farnham, founder of Listening Hearts, to lead his first vestry retreat. Incorporating what they learned from the retreat, the vestry now uses the wisdom of the Discernment Listening Guidelines, silence, and consensus decision-making in their deliberations.

We look forward to journeying with you,
Alice Dorrance

2015 Ecuador Mission Experience July 23- Aug 2
Our goal for the Mission Experience is to grow in Christ by serving others. As well as, come back with a greater understanding of the Great Commandment, “Love God and Love Others.” We want any interested youth to be there! We have a 20 person max capacity for this Mission Experience—for more info contact ddixon@churchofadvent.org and put “Ecuador Mission Experience 2015” in the subject line.

We're grateful for the beautiful weather we had for Blessing of the Animals on October 5.
I am hopeful that you have all received your Stewardship Packets. If not, you have either gotten or will get a call from a Stewardship Commission member. Please take that call and accept the packet in the same spirit in which it is being given—so that we can more fully live in Christ’s light, together.

By now you know that the proposed budget is 24% higher this year than last. That is a BIG number. Let me explain how we got there. The Parish Management Commission came up with a budget in which there was no operational change other than cost of living, a small increase in non-clergy salaries, and other contractual requirements. Then, we asked each Commission (Parish Life, Liturgy, Outreach, Pastoral Care, Christian Formation, and Parish Management) and each program area (Youth & College, Music, and the Advent Children’s Center) to go to their groups/Commissions and dream—What could you do through your program area or Commission to better allow Christ’s light to be seen in us, if money weren’t the limiting factor?

The response was eye opening: hot water in all classrooms in the PCLC, new Choir robes, new Fall Family Events, ADVENTurers, additional staff, cosmetic and electronic updates to the Youth Center, A/C in the Church bus, Pastoral Care training, Choir enhancements, AED units, and the list goes on. These were the operational items only, as the large Capital items were excluded. These are the things that our members have requested, things we need to grow in our spirituality and in our service to one another and to the world. Please join me in prayer and listen to what God is calling us to do in this place at this time; and let us all respond accordingly. - Matthew W. Myers, 2014 Stewardship Chair

Stop Hunger Now: Once again on Sunday, November 9, at 10am in the Parish and Community Life Center, we will package 10,000 meals to be sent to the needy people of Haiti. Please plan to join us after the 9am service. We will finish before the 11:15am service begins. Everyone is welcome.
