

Wacky Wednesdays 2019

This summer we have some awesome trips lined up for the youth to have fun and build community. We will go mountain biking and do the ropes courses at the National Whitewater Center, rollercoasting at Carowinds, and visiting the new TopGolf in Greenville. We have tried to get the best prices for each event. With the exception of Carowinds and NCG, each location requires payment upfront to reserve the date and time. [Check the events your student/s would like to attend. Please send the completed form and payment to Elisabeth Hayes at least one week prior to the event. We will need a minimum of six students for each event.](#)

Students will need extra money for food, drinks, snacks, etc. For questions, call Elisabeth at 864-586-2151.
