Breaking News: Christmas isn't over yet!

Christmas isn't just one day- it's a season of 12 days, marking the span of time between the birth of Christ and the coming of the Magi. Over time different cultures and Christian denominations have set aside particular days between Christmas and Epiphany to acknowledge and honor various Biblical figures and religious leaders.

The Christmas carol, The Twelve Days of Christmas, can help us to celebrate this season, as each day's gift represents something different in our Christian tradition: partridge in a pear tree- Jesus Christ, two turtle doves- the Old and New Testaments, three French hens- faith, hope, and charity, four calling birds- four Gospels... Can you figure out the rest?
