Tom Edwards makes his home in St. Augustine, Florida, USA. Tom and his wife Pam have two adult children---a son and a daughter, both married---and seven grandchildren. Tom was born and raised a Roman Catholic. In 1974, after working several years in retail, Tom resigned from his management position to answer a call to full-time ministry. This step soon evolved into an international mobile outreach of lay Catholic evangelization with an emphasis on the preaching and teaching of the Holy Scriptures. His conference speaking, retreats, and the presentation of parish missions has been widely received throughout the United States, Belize, England, Wales, Canada, Slovakia, Czech Republic, Kazakhstan, Jamaica, Ghana, Uganda, Kenya, Tanzania and South Africa. Tom's goal always is to allow the living Word of God to become applicable to one's life today.

COME AND BRING A FRIEND

Sunday, March 1 - THE PERSONAL TOUCH

Nobody in our day has a shortage of "things to do". But, in the busyness of life, it's possible to miss out on that which is ultimately most important and of eternal value. A vibrant and living faith grows when we truly seek to establish and maintain a "personal Touch" (relationship) with Jesus and then extend that touch to family, neighbor and all those He puts in our path.

Monday, March 2 - HEART TRANSPLANT

No, we are not talking medical procedure here, but perhaps something far more critical to life. God calls us to a radical transformation--a progression from "who we are now" to "what He created us to be". The spiritual surgery he desires to perform is challenging indeed, but nothing can be more rewarding than being a man or woman after "God's own heart". We will learn about dealing with the "seven deadly pallbearers of character".

Tuesday, March 3 - FORGIVENESS

God has given us principles for life which open the door to a consistent experience of joy, peace, and the promised fullness of life. There is a great power resident in the "principle of forgiveness". Violation of the principle can have catastrophic effects. Learn about the great liberation, the healing freedom that accompanies the "power of forgiveness".
(Prayer for healing will follow).

Wednesday, March 4 - YIELD TO YIELD

Two questions are before us: To what must I yield (surrender)? What then must I yield (produce)? Jesus teaches the answers through the analogy of the vine and the branches. Careful pruning by the vine keeper produces the finest of fruit. Branches that remain connected to the vine will draw the fullness of life.

(Refreshments will be served in the Parish Hall after the final session.)
