Welcome New Members—Spring 2018

In April, Pastor Michael taught a new members class. Throughout our time together, we read and discussed Donald McKim’s slim volume entitled Presbyterian Beliefs. In the first week, we focused on the Three C’s of Presbyterianism, which are Constitutional, Confessional, and Connectional. We briefly talked about the two parts of the constitution of the PC(USA)—being the Book of Order and the Book of Confessions—and then we spoke about how churches relate to one another throughout the denomination (Session-Presbytery-Synod-General Assembly). During the second week, we focused on becoming oriented to the ministries of the church and the building itself, which included a tour of the whole facility. The class exclaimed that they had no idea that we are so active in so many different ministries and we are encouraged that they will soon find areas of ministry where they feel called to serve. In our final week together, we talked through the church vocabulary of worship (vestments, paraments, liturgist, etc.), we discussed the cycle of the liturgical seasons and the three-year lectionary, we examined the various parts of our Glory to God hymnal, and Pastor Dave presented on the “Responding to the Call of Christ” document developed a few years ago. Through this class, we sought to empower the new members so that they could know what Presbyterians believe, understand how we worship, and be encouraged on their continuing journey of discipleship.

Among our new members, several have family connections to the church and some have grown up here. Martha Ash (nee Hanlon), is the daughter of Frank and Dorothy Hanlon, who were long-time members. Her husband Chuck Ash had also attended here as a child. His father was Red Ash, the Canton South basketball coach. Chuck and Martha were married here by Rev. Parkinson, but settled for 40 years in the Toledo area where Chuck worked for Pilkington Glass and Martha worked in the automobile industry. After retiring, they wanted to be closer to family and returned to Canton. Jill Hazen is no stranger to our church as she has been married to member Jack Hazen for twenty years. She works as a teacher (specifically an intervention specialist) in Plain Local. Throughout her life, Jill has lived on three different continents and she has a passion for horses (dressage). Tracy Smith grew up in the church and is excited to be back. Her sister Sue Oliver has been an active member for many years. Tracy works as a nurse for Summa Health Physicians OB/GYN in Green. She enjoys reading, history, and watching the Indians and Cavs. Beth Goodchild is new to our community and started coming this last year. She had grown up in Calvary Presbyterian, but was married at St. Peter’s Catholic Church. She is recently retired, but had worked for 45 years at Mercy, with the last 22 years specifically in the Neonatal Intensive Care Unit. She is also a gifted pianist, having accompanied several musicals and choirs through the years.

Please make every effort to introduce yourselves to the newest members of our congregation!
Thank You, Mario Buchanan;
Thank You, Gibbs Music Fund;
Thank You, Christ Church

Mario Buchanan, the Gibbs Music Intern of Christ Church, is coming to the conclusion of his second year-long stint working with Dr. Kienzle, and his last Sunday with us is July 1. We will honor him and shower him with warm blessings on that day after the morning service at a reception in Westminster Hall.

As most people know, Mario has made a telling impact on our Music Ministry and directly on our individual and community lives. His warm and inviting personality has embraced many of us in the congregation and Canton area, in more ways than just musically. His myriad talents have enabled all aspects of our music ministry to have a more meaningful impact on worshipers. Having two professional musicians to lead congregational song and choral offerings has more than doubled the effectiveness of just one music director/organist here at Christ Church. Due to the physical nature of our sanctuary, there are many advantages for having one musician at the keyboard and another musician leading the choir and/or congregation. Choir rehearsals and scheduling of various musical/worship events have shown us many benefits of two-person leadership. Mario’s complimentary skills and styles have broadened our overall programming.

As a reminder to all, the success of Mario’s first year with us engendered so much enthusiasm in our congregation that people were encouraging us to extend an invitation to him for a second year of internship. The first year was made possible entirely by the Gibbs Music Fund of Christ Church. This financial resource is available to us according to the balance of interest earnings on the corpus. After accumulating a sizable sum in that account over several years, we were blessed to be able to establish the one-year full-time appointment for a music intern. In order for us to extend his appointment for a second year, we were fortunate to receive special gifts from a few individuals to supplement the balance in the Gibbs Music Fund.

Many thanks to you, Christ Church, and a big thank you for the Gibbs Music Fund, which was established in 1999 by Lew & Betty Gibbs; Betty entered the Church Triumphant in 2004, and Lew is still a devoted supporter and worshiper with his wife, Joanne. Above all, we give thanks to God, the Creator, our Redeemer, and Holy Spirit, Three in One.

from the

Deacons’ Bench

As we complete the year, we say fond goodbyes to some Deacons and look forward to adding a new Deacon class in the coming months. This has been my first year as a Deacon and as I sit back and reflect on this year it makes me think on why I agreed to serve. At each meeting we recite the covenant of the Boards of Deacons. As a member of the choir, it always leads me to think of a hymn that I have grown to love, and also serves as a reminder of what Deacons are called to do. It also serves as a humbling reminder for me personally to remember to let go of my personal feelings and work in love. The hymn is “The Summons” by John Bell and Graham Mule. Whether set to the lovely tune Kelvingrove or simply read as poetry its simplicity and beauty and honesty always hit home. I think it perfectly sums up what the Deacons of Christ Church strive for... and the ongoing challenge to grow in Christ.

The Summons

Will you come and follow me if I but call your name?
Will you go where you don’t know and never be the same?
Will you let my love be shown? Will you let my name be known,
will you let my life be grown in you and you in me?

Will you leave yourself behind if I but call your name?
Will you care for cruel and kind and never be the same?
Will you risk the hostile stare should your life attract or scare?
Will you let me answer prayer in you and you in me?

Will you let the blinded see if I but call your name?
Will you set the prisoners free and never be the same?
Will you kiss the leper clean and do such as this unseen,
and admit to what I mean in you and you in me?

Will you love the "you" I hide if I but call your name?
Will you quell the fear inside and never be the same?
Will you use the faith you’ve found to reshape the world around,
through my sight and touch and sound in you and you in me?

Lend a hand at the KidSpot this Summer!

During Food, Clothing, and Prayer Ministry on the 2nd and 4th Wednesdays of the month, helpers work with Jennie George to provide a fun and safe space for children where they can play, enjoy a snack, and know they are God’s children while their family is receiving assistance. You can help at one or all of them; its also a great opportunity for families to volunteer together.

Please contact Jennie George at the office if you’d like to help or for more information.

Get in the Game at WAKONDA IN THE CITY!

I am thrilled that we are once again offering this wonderful day camp right here at Christ Church! This year’s sports and games camp will be Monday, July 9th through Friday, July 13th.

One of our days will feature international games. If you or someone you know has a fun game they know of and would like to teach it to the kids, please contact Jennie George.

WANT TO HELP?
Support from our congregation in the following areas is greatly appreciated and needed to make this week a success:

- Help make lunch in the kitchen
- Group helpers to assist the counselors and help the kids with activities
- Donate a snack (prepackaged snacks and juice boxes. We need about 80 per day)
- Provide a homemade dessert for lunch (peanut-free cookies, brownies, or other handheld item)
- DONATE! It costs us about $100 a day for each day’s lunch. Plus, on Tuesday, our Tiqwhah friends are joining us so that day’s lunch will be closer to $200 that day. The more we are able to offset that cost, the more we are able to put into programming.

Contact Jennie George for more information or sign up at the kiosk. Thanks for being a great sport and supporting

More Than A Book Club: They Will Inherit the Earth

On Sunday, April 22, the 2nd Mile Ministry gathered to discuss Father John Dear’s newest book *They Will Inherit the Earth*. If you recall, Father John himself had come to Christ Church at the beginning of April on his 50 city book tour. Our follow-up event gave people the opportunity to read the book and discuss it. In order to contextualize Dear’s work and to give us some history on the nonviolence/peace movement, we welcomed Mount Union Religion professor Dr. Nicole Johnson. She elucidated some of the major points of pacifism and helped to contextualize Dear within the movement.

We moved into a discussion on the impact of climate change around the world, our role as stewards of the environment, as well as how we can be agents of creative nonviolence in our communities. Then, we brainstormed some easy-to-implement micro-changes that we could make to our daily habits to reduce our own impact on the environment. We were reminded of the phrase, “Reduce, Reuse, Recycle,” and particularly how the order of that trio is important. Our first goal should be to reduce what we use. If we must use something, then let us try to reuse it. Once that item can no longer be reused, let us recycle it or try to compost it in our gardens! In particular, we discussed the importance of cutting down on all single-use products. Above is a quick chart of suggestions of how you might consider replacing those single-use products with more reusable, earth-friendly options.

We concluded the evening by considering how every purchase we make has a moral implication, whether we realize it or not. When buying clothes from certain cheaper retail stores, we might not realize that our savings often means that the manufacturers are taking advantage of the people creating the products. Often it is best to do a little research and to find fair-trade products to ensure that employees are being well-paid and have better working conditions! As Martin Luther King Jr. reminds us, “All men are caught in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly.”

Session Notes - May 15, 2018

Dinner, provided by Alice Bailey, began at 6:00 pm. Worship followed, in the Chapel, led by Elder Bert Smith. Work began at 7:00 in the Parlor. Minutes of the April 17th meeting were approved as printed. The Clerk’s Report was approved as printed. Schedules for the Tydings Article, Meals and Worship, and Grace In Our Midst were reviewed. Pastor Reports followed:

Pastor Ben was at Camp Wakonda preparing for tomorrow’s Presbytery Leadership Retreat. So he was absent (excused) from Session.

Pastor Michael reported on events he has been involved in; about plans for involving youth in small groups for summer...grades 6 thru 12 and grades 4 thru 8...preparation for the class he will be teaching in August about the stained glass windows in the Sanctuary. He will be attending Credo June 4 thru 13....support for newly ordained pastors.

Pastor Dave reminded us there will be a Session meeting May 20th, to meet the new members—9:45 a.m. in the Chapel. He also reported happily on the unexpected responses to the Micah series. He, along with Bert Smith, reported on the Heritage House. Nominating Ministry is moving along nicely.

The Treasurer’s Report was reviewed by Kathy Kettlewell. T. J. Hon was introduced by Kathy. After introductions and some questions Session appointed Mr. Hon as the new Treasurer.

Spirit and Space report was given by Elder Jerry Norton. Elders received documents regarding the work of Spirit and Space. Those documents were accepted and Spirit and Space was authorized to proceed as the documents indicated.

There were discussions about: needs to replace Sound System items; computers that need to be replaced; Security Concerns, and Support for Summer Ministries.

Several motions were made by ministries and/or Session members. Those motions were passed. Work of the evening ended with prayers for the people; and the meeting concluded with members saying The Lord’s Prayer.

**Common Table: CPC Held an International Cooking Class**

The Common Table ministry was founded by a group of friends from several different churches around Canton. Their mission is to invite people to a common table where they can learn to cook international dishes and consider how we all have international roots. Last fall, Pastor Michael and Courtney attended one of their cooking classes at Faith United Methodist and there started a hope for bringing this unique and powerful ministry to Christ Church. After much planning and preparation, on Sunday, April 29, the 2nd Mile Ministry welcomed the Common Table ministry for an international cooking class. Chef Veronica taught the class and taught us how to make dishes native to Central America. She is still learning English, and conducted the class in Spanish, with Pastor Michael (and even Jerry Norton!) serving as translator. We started out by making our dessert, which was a traditional flan (custard). It is so delicious and easy to prepare that our chef’s own recipe is below. Then, we got to work preparing the main course, which was “Indio viejo” (or old Indian), a beef and vegetable stew to go over rice. We finished the cooking lesson by making fresh tortillas. Before we were finished cooking, several members of the youth group joined us. They had a chance to make tortillas, joined us in eating the delicious meal, and then provided the extra, necessary service of helping to clean up at the end of the night. During the night, we all cooked together, ate together, laughed together, and we learned from one another. All who participated reported thoroughly enjoying it and look forward to the next class soon!

**Ingredients**
- 2 Cans of condensed milk
- 2 Cans of evaporated milk
- 10 Eggs
- ½ Cup of sugar
- 3 tsp. vanilla
- 1 package of cream cheese

2 pans (one smaller for the flan, one larger that will hold water and surround the smaller pan during baking)

**Neapolitan Flan (Recipe by Chef Veronica)**

Preheat the oven to 350 degrees. Start by sprinkling sugar in a saucepan on a high heat (without oil or butter!). Stir it constantly until it liquefies and turns a brown, caramel color. Do not let it burn! Once the sugar liquefies completely, carefully pour it into the bottom of the pan in which you are making the flan. Use circular motions to spread the caramel to the edges of the pan, but do not touch the bottom of the pan, as it will be very hot! Next, blend together all of the other ingredients (evaporated milk, condensed milk, eggs, cream cheese, and the vanilla). Then, after it all liquefies, pour the mixture in the same pan where you previously put the caramel.

In the other, larger pan, fill it partway with hot water so that when you nest the smaller flan pan inside, the water only comes up halfway to the sides of the flan pan. This is called bain-marie (which is actually a French term, which literally means a Mary bath). Cover the flan completely with aluminum foil and place in the oven for about one hour and fifteen minutes. You will know that the flan is ready when you can stick it with a knife and it will come out clean. Remove the flan, let it cool, and then put it in the fridge overnight to cool. ¡Buen provecho!

Your Spirit and Space Team reached a critical milestone in the last month. One of the most important activities of the Team over the last year has been to listen to our community, to our congregation, and to God. Many of you may have attended one of our events to learn the needs and desires of our city and our church. From the listening, we have been able to glean needs that are not being met and ministries that Christ Church could offer.

The familiar scripture from Micah 6:8 guides the Spirit and Space Team: “He has told you, O mortal, what is good: and what does the Lord require of you but to do justice, and to love mercy, and to walk humbly with your God.” We propose we redefine what it means to serve, nurture, enable, and connect to our neighbors; and then welcome them to our church by serving as sponsor and host for any number of new and existing ministry efforts. We should do this while continuing and even improving our love and care for our current congregants. We want our leadership and members to build partnerships in our community which will strengthen both city and church.

The Spirit and Space “Ministry” report as summarized above was presented to Session in May, and they have agreed to prayerfully act on the possibilities that God offers us to minister to his people. As part of Session’s effort, they ask that members of the congregation let Session know about ministry activities in our community or church they would be interested to support. A copy of the full Spirit and Space Ministry report is available for the asking; please ask Session or Spirit and Space members if you would like it, and also give your ideas for ministry to those folks as well.

May God be with each of us as we consider how we can help grow the ministry of Christ Church in our community!

Jerry Norton for the Spirit and Space Team
