Among the many Spirit & Space Team accomplishments last month is one of which you may not be aware...hosting a visit on May 18th & 19th by two technicians from Kierkegaard Consultants, a nationally renowned acoustical consulting firm with its primary offices located in Chicago, IL. The consultants met with our Pastors, church program staff, some of the Spirit & Space Team leaders, attended some of our services; and conducted acoustical observations, experiments, and testing during their visit. The Spirit & Space Team then immediately received their initial verbal observations and suggestions. We look forward to receiving their full acoustical analysis and official recommendations of our church spaces. On May 12th, Pastor Dave announced that early leadership pledges for Gather Us In had already exceeded $1.5 million toward our $2.5 million goal. On May 19th, Consecration Sunday, Commitment cards stating pledges to both CPC's Annual Stewardship AND Gather Us In Capital Campaigns, were brought forward by congregants during the services.

In June we look forward to the climactic events of our Spirit & Space Gather Us In Campaign. During the June 2nd 10:30 AM service, Jerry Norton, Spirit & Space Team chair, will announce the first results of our Campaign in a Grace In Our Midst moment. Then on June 9th, Pentecost Sunday, we will have the opportunity to present during that service our first gifts to both Campaigns. How appropriate to offer the first of our gifts, the gifts we have been inspired by the Holy Spirit to make to our church, on the very Sunday we celebrate the descent of the Holy Spirit on the disciples of Jesus after his Ascension.

To those who submitted a pledge card, a big THANK YOU for your enthusiastic participation in the Gather Us In Campaign. And to those who have not yet pledged support for this church and its future, it's not too late to express your generosity and commitment. If you lost or misplaced your pledge card, please contact the church office and one will be sent out to you. Please remember that the size of your gift is not important, it is in the spirit of giving that you will find meaning!

The Spirit & Space Team
