The Great Outdoors

On May 18th, from 10 am - 12 pm, come soak up the beauty of Creation.

We will meet at Miss Tommie Freeman's garden to see her hydrangeas (and get some cuttings).

Anybody who likes to hike can set off with Jonathan Stober for a walk and talk on the biology of a southeastern forest. Afterwards, we'll all meet at the lake cabin for lemonade. Talk to Dena Wilson for details!
